

# DELHI PUBLIC SCHOOL KATNI

A photograph of a wooden pier extending into a calm lake at night. A bright full moon is visible in the dark blue sky, reflecting on the water. The pier is made of wooden planks and has railings on both sides. The surrounding landscape is dark, with some greenery visible in the foreground. The entire scene is framed by a thick, hand-drawn yellow border.

*As we say... "We don't promise the moon we show the way"*
